11. Description of proposed works.
Well, pump and open ditches (Under the provisions of NRS 535.010 you may be required to submit plans and specifications of your diversion or storage works.)
(State manner in which water is to be diverted, whether by dam or other works, whether through pipes, ditches, flumes, or other conduits.)
12. Estimated cost of works \$10,000_00
13. Estimated time required to construct works works are complete
14. Remarks
F. Bennett Smith and Compared dh/jb dc/jb Applicant Alice M. Smith
By S/ Charles C. Armuth. Jr.
APPROVAL OF STATE ENGINEER
This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the
following limitations and conditions: This permit to change the point of diversion of the waters of an underground source as heretofore granted under Permit 19637 is issued subject to the terms and conditions imposed in said Permit 19637 and with
the understanding that no other rights on the source will be affected by the
change proposed herein. The well shall be equipped with a 2-inch opening and
a weir or other type of measuring device at or near the well, to facilitate the
measurement and control of the water. If well is flowing, a valve must be
installed and maintained to prevent waste. The state reserves the right to
regulate the use of the water under this proposed change at any and all times.
and the contract of the contra
The amount of water to be changed shall be limited to the amount which can be applied to beneficial use, and not
to exceed 3.002 cubic feet per second , but not to exceed a seasona
duty of 4.0 acre-feet per acre of land irrigated from any and/or all sources;
Actual construction work shall begin on or before April 2, 1969
Proof of commencement of work shall be filed before.
Work must be prosecuted with reasonable diligence and be completed on or before April 2, 1969
Proof of completion of work shall be filed before May 2. 1969
Application of water to beneficial use shall be made on or before April 2, 1969
Proof of the application of water to beneficial use shall be filed on or before
Map in support of proof of beneficial use shall be filed on or before.
Commencement of work filed MAY 28, 1969 Completion of work filed MAY 28, 1969 Proof of beneficial use filed MAY 28, 1969 Cultural map filed Septim 3, 1969 TESTIMONY WHEREOF, I ROLAND D. WESTERGARD State Engineer of Nevada, have hereunto set my hand and the seal of my office, this 2nd day of January 69
